

Saval Parish

Policy for Allocation of Graves.

Due to the falling number of burial plots available at both St. Joseph's, Sheeptown and St Colman's, Shinn the Parish Finance Council has to agree the following policy:

Plots cannot be acquired until they are needed.

Only single or double plots are available, triple plots are no longer available.

Any person taking over an existing used plot needs to complete the Transfer Form which is available from the Parish Office.

New plots are only available to anyone living in the parish.

Cost as follows:

New single plot - £200

New double plot - £400

Transfer of existing plot - £100.

Person to Contact:

Edmund Lennon—Sheeptown Ph 07771 846 253

Dermot Digney—Shinn Ph 07742 386 253

It is important that payments for new plots are made at the Parish Office so as the plot can be properly receipted and registered on the cemetery map for future reference and proof of entitlement.

All enquiries in relation to entitlement for existing used plots must be made in writing to the Parish Office. Please note sometimes this takes time with more information required so it is not suitable to try to establish entitlement at the time of death. The Parish Finance Committee will assist as best as possible. No one person will be expected to take responsibility for difficult decisions, final decisions will be made by the committee collectively.
